## Introduction

The Royal High School (RHS) in Edinburgh, established in 1128, stands as a testament to centuries of educational excellence and a beacon of Scotland's rich academic heritage. As we approach our 900th anniversary, we are excited to introduce the **Royal High School Foundation**, a charity dedicated to creating connections and raising funds to ensure that the Royal High School continues to evolve and flourish in its mission to provide unparalleled educational opportunities for all.

## Our Mission

As the Royal High School celebrates turning 900 in 2028, we want to connect with our community, showcase our heritage, and create new opportunities for our young people. You can help us by supporting our new Royal High School Foundation, getting involved or donating, and by telling us about your Royal High connection to show **We Always Belong Here.**

## Why Support the Royal High School Foundation?

### Celebrating Heritage

The Royal High School's rich history is a cornerstone of Scottish education. By supporting the Foundation, donors contribute to the preservation of this legacy for future generations, ensuring that the RHS remains a beacon of academic excellence and tradition.

### Promoting Inclusivity

Your support will help create an inclusive environment where every student has the opportunity to succeed. By breaking down financial and social barriers, we can ensure that all students, regardless of their background, can benefit from the exceptional education that RHS offers.

### Our Goals

- To create a network of former pupils internationally who have collectively travelled 900,000 miles.
- To gather a minimum of 900 former pupil profiles on 'My Journey from The Royal High School', to be used to inspire and motivate current pupils.
- To create opportunities to engage with alumni, parents and friends of the school.
- To raise £900,000 to support our current school community.
